### Where to Find Gratitude

A businessman said, "People are ingrates. It took me 61 years to find this out. I have 175 employees, men and women. At Thanksgiving, I sent them 175 choice turkeys. Only four thanked me. Two thanked me by notes and two said, 'Thank you' when they chanced to meet me in the hall. Because of their thanklessness, I've decided never to go out of my way again."

Someone has said, "If you want to find gratitude, look for it in the dictionary. The reward of giving comes from the good feeling it gives the giver. Don't expect any other returns."
